Strategic Action For Emergencies (SAFE)

What is SAFE?

SAFE (Strategic Action For Emergencies) is a program created by the Chatham County Council on Aging, Chatham County Emergency Operations, and Chatham County Department of Social Services to provide county residents with **special needs** a better sense of security.

It also gives emergency responders more knowledge to locate residents in need.

What we need from you

- Name
- Address
- Phone Number
- Diagnosis
- Medications
- Allergies
- Special Needs such as hearing impaired, mobility issues, special devices, sight impaired, transportation needs, etc.

How SAFE works

The data collected will display a balloon on a map of the county. This will provide responders with your location along with your needs, so that assistance can be provided as quickly as possible.

How to register

You can register at:
